Custodial Services

## ABOUT F&J ASSOCIATES

When you think Custodial Services, you think of someone with a mop and a uniform, at F&J its so much more.

Daily cleaning services, property management, maintenance, construction and decontamination.. F&J does it all and more. We will happily provide our customer list in our proposal to you.

## At F&J Associates, one call does it all..

## OUR EXPERTISE

### DAILY CLEANING SERVICES

F&J tailors your daily cleaning schedule to fit your needs. Every cleaning job is not the same and every customer is different. What is the same is F&J's commitment to our customers. each and every day. At F&J, the cleaning and paper products are included in the price., so you do not pay an extra cost.

### ELECTROSTATIC SPRAYING

With COVID-19 and other pathogens in the air, your workplace can be compromised.

F&J provides electrostatic disinfecting and coating to make your workplace safe from viruses and bacteria.

### PROPERTY/FACILITIES MANAGEMENT

F&J provides property and facilities management services to properties large and small. Maintenance, Construction, Landscaping, Snow Plowing, Power Washing, Windows, we do it all.

### DEEP DIVE CLEANING PROJECTS

When Realtors have an Open House, Retailers need a deep clean or Preschools need to get ready for a big event; F&J will do a deep dive clean to make your environment one that will impress your shoppers, buyers and guests.

### MOVING/LIQUIDATION/INSTALLATION

Things change and you need to move.. we have all been through it. F&J can handle all of your business moving requests. from packing to moving and installation. If you need to liquidate equipment or fixtures we can run the process from inception to completion and remove the excess so you don't have to. At F&J, one call does it all.
